Background

Elissa is a Director of the firm and joined Ecovis Clark Jacobs in 2009. She has nearly 20 years' experience in public practice providing specialist advice across a range of sectors in financial accounting, taxation, audit, corporate governance, corporate strategy and corporate secretarial services. Her clients range from start-up businesses, high net worth family groups, unlisted reporting entities, listed companies and government-owned corporations. Elissa enjoys working closely with her clients to build strong relationships and provide innovative and practical solutions to help them solve problems within their business and achieve their strategic goals.

Significant Matters

Dental Industry – advising on a range of acquisitions and disposals, structure and benchmarking of performance. Advising on matters in relation to the sale of a private dental aggregator to an international health fund. Regular contributor to Australian Dental Association magazine.

Property Development – advising on a range of structural, income tax and GST issues within the property industry.

Financial Reporting – Provision of ongoing advisory surrounding financial reporting to a government owned corporation, ASX listed company and large public company, and preparation of Annual Reports for a listed start-up.

Outsourced CFO Function – Management reporting and outsourced CFO function to a range of private groups across the property development, technology, mining and investment sectors.
