Background

Scott is a Director of the firm and has over 16 years of public practice experience in boutique firms in both Perth and Sydney. A member of the Institute of Chartered Accountants, Scott has experience in business services, taxation and consulting with particular interests in due diligence, tax effective structuring and working with subsidiaries of multinational companies.

He actively engages with clients in a broad range of industries including high net worth individuals, media, online, dental and legal practices, and government agencies.

Along with extensive experience in Australian tax matters, Scott also has international experience through an exchange to a large consulting firm in San Francisco and spent part of his under-graduate degree studying in the United States. This has developed his skills in International Tax and Consulting, along with giving him invaluable experience in the international business environment.

Scott is committed to providing not only outstanding client service but also clear and concise advice to our clients to ensure they not only meet their statutory obligations in Australia, but also see us as a partner in their businesses growth and development.
