Background

Umer is a Director of the firm and has over 20 years' experience in audit and assurance services in both boutique and large mid-tier firms. Umer has extensive experience in the audit of ASX listed and medium to large private companies, including those in the information technology, hospitality, manufacturing, entertainment & tourism, construction services, consumer services, non-government schools and public sector audit engagement.

Umer works collaboratively with his clients and proactively looks for opportunities to add value to his clients' business by identifying significant risks, internal control deficiencies and providing pragmatic recommendations for improvement.

Significant Matters

National Consumer Services provider – conducted the audit of a large ASX listed consumer services provider with numerous subsidiaries across Australia and New Zealand. Key financial reporting issues included, accounting for business acquisitions, share-based payments, revenue recognition under AASB15, leases recognition under AASB16 and impairment assessment of goodwill.
