Background

Delia joined the firm in 2012 and has more than 15 years' work experience in public practice in Sydney. She specialises in providing a tailored service to private clients, small and medium businesses, high-wealth individuals and family groups. Delia's client base covers a wide range of industries, including travel, media, construction, the legal profession, medical and property development, as well as subsidiaries of multinational companies.

A trusted adviser, Delia is committed to providing practical solutions to assist clients with every step of their business journey. She has forged strong relationships by understanding a client's needs as well as their financial goals, and provides comprehensive advice on day-to-day business matters.

Significant Matters

International Tax – Advising on complex financial questions and compliance matters regarding residency status, and different visa class holders. Providing personal, tailored advice regarding the impact of Australian capital gains tax on assets held within onshore or offshore jurisdictions.

Medical and Dental Industry – Works extensively with medical, dental, and allied health professionals. Advises on business structures and requirements for accessing small business tax relief. Provides management advice including the setup, growth and dissolution of businesses.
