Background

Byron is a manager at Ecovis Clark Jacobs with over a decade of experience in public practice accounting, focussed on small and medium sized business advisory and tax consulting, as well as advice for high net wealth individuals.

Byron has worked with business owners across a range of industries including building and construction, professional services, freight and removals, restaurants and hospitality, primary production, and healthcare.

Based in Brisbane, Byron provides open communication, transparency, and a commitment to understanding the unique needs of each client that builds lasting connections and tailored results.

Significant Matters

Business Structuring – Working with clients to set up the right business structure for their individual circumstances.

Outsourced CFO – Management reporting and outsourced CFO function for small and medium sized businesses.

Family Office Function – Working closely with trusted advisers as part of the family office team for wealthy families and high profile individuals.

Multi-entity Structures – Advice for multi-entity structures in relation to cash management, inter-entity loans, tax compliance and effective distributions to group members.

Asset Disposals – Advising on potential capital gains tax outcomes for the sale of assets and investments including property, shares and businesses.
